[ABOUT COLLEGE](#)
INSTITUTION VISION:

Jeppiaar Institute of Technology aspires to provide technical education in futuristic technologies with the perspective of innovative, industrial and social application for the betterment of humanity.

INSTITUTION MISSION:

To produce competent and disciplined high quality professionals with the practical skills necessary to excel as innovative professionals and entrepreneurs for the benefit of the society.

To improve the quality of education through excellence in teaching and learning, research, leadership and by promoting the principles of scientific analysis, and creative thinking.

To provide excellent infrastructure, serene and stimulating environment that is most conducive to learning.

To strive for productive partnership between the Industry and the Institute for research and development in the emerging fields and creating opportunities for employability.

To serve the global community by instilling ethics, values and life skills among the students needed to enrich their lives.

ICRISET

Welcome to Our Conference!

We enthusiastically encourage prospective authors to submit an electronic version of their original research papers that contain contributions of theoretical, experimental or application nature. The conference is organized in two tracks: Next-Generation Computing and Communication technologies with the theme "Advancements in Next-Generation Computing and Communication Technologies" and will feature distinguished invited speakers in each track.

Call For Papers

TRACK #01
Computer Science and Engineering and Information Technology.

"Data is a precious thing and will last longer than the systems themselves."
— Tim Berners-Lee

TRACK #02
Computer Science and Engineering and Information Technology.

"Data is a precious thing and will last longer than the systems themselves."
— Tim Berners-Lee

Proceedings
The selected and presented papers will be submitted for inclusion into Scopus indexing/Book Chapters/Lecture Series/
Special issue of the Journals.
The high quality papers will be published in the journals and Book Chapters with the additional processing charges.

Guidelines

Submission Guidelines

- Submit full paper electronically using the link <https://emt3.research.microsoft.com/icngect2024>
- The submitted paper must be substantially original work.
- The work described has not been published before (except in the form of a conference abstract or as part of a published lecture or thesis for an academic qualification).
- The submitted paper is not under consideration for publication anywhere else.
- The publication has been approved by all co-authors, if any, as well as by the responsible authorities-tacitly or explicitly-at the institute where the work has been carried out. The publisher will not be held legally responsible should there be any claims for compensation.
- The IEEE anti-plagiarism policy is applicable to all submissions. The author(s) are solely responsible for any plagiarized submission.
- Email submission will not be accepted.
- All presented papers in the conference will be submitted to IEEE for possible publication in the IEEE Xplore® digital library.
- All the queries related to the conference shall be addressed to ieeeciengect2024@gmail.com
